

Boys 3A 2015 Soccer Stats

Coaches are emailed each week and are asked to provide season-to-date numbers. Not every coach responded, so we are only posting what has been made available.

The cutoff date for each weekly stat report is the Sunday prior. Coaches are then given a few days, to put get their stats organized and send them in.

We only post when is given to us. If there is an error, please take it up with the coach, or whoever keeps stats for the team.

Shootouts goals and saves are counted on the individual stats, but not on the team stats.

Stats are for games played up to and including May 10th.
